

T.V. Entertainers Club,  
The Albany Art Gallery  
226 Jefferson Street  
Albany, NY 12210  
October 15, 1990

Dear Fellow Member:

As you can see from the attached schedule, we have changed our meeting night from Saturday to Thursday. So on the 11th of October we had our first meeting of this winter. We will hold our next meeting on November 8, 1990 and we hope to see you there. Please feel free to bring your cohort here with you as they are always welcome. Incidentally the other groups mentioned on this sheet are no longer meeting.

As our new president I chaired our first meeting with pleasure. We had one application request for a person wishing to join and since she was known we approved it. We agreed that the membership fee would stay the same, \$6.00 per year, and the meeting fee per head would stay at \$2.00. Oh, please remember that we are now a nonsmoking group, thanks to the State of New York!

One of our members was in formal female attire for the first time in public and she looked surprisingly well. We visited among the group of us. We reviewed the Video tape on makeup and there was quite a bit of interest in it so I did some homework. I found that Jean, who used to put on makeup presentations down at Wilma Thordson's, is still available as an AVON representative and she will be at the next meeting to help anyone who is interested. You see we never quit, we just find a new way, or a new place!

*Joan said it will be Mary Kay, not AVON JE*  
I will be very happy to hear any suggestions on what extra functions we might like at future meetings. As a matter of fact Jean used to also sell cloths at Wilma's. I will have to ask her if she is interested in doing it again! We just got so interested that the cards never surfaced so you know we had a good meeting! And of course John served a very good evening snack as he always does.

We also came up with several other T.V.s that we think might like to join our group so I will send them each an application. I expected to see several T.V.s that also might have been interested in our group last Saturday night but unfortunately my car burned up on me and I couldnot rent a replacement fast enough to get to them! If any of you think of anyone who you would like to have join please let me know and I will send them an application.

We are serious about getting our cohorts to attend with us. That always was one of the best aspects of the old T.V.I.C. group that met at Wilma's. It was perfectly normal to see cohorts there from Buffalo, Boston, New York City, Long Island, you name it! After all, they live with us, so they should know us all the way around! It is very important that we don't hold things from them. In fact this is one of the biggest issues at Fantasia Fair every year.

Well I look forward to seeing you on the 8th.

Very Truly Yours,

*Joan*
